ASYMETRI

****TAKE ADVANTAGE OF 6% VAT BEFORE 30/06/2025**** – A splendid new real estate development consisting of five apartments, including two magnificent penthouses with stunning views of the fields and the Bois des Neulettes! Living at the gates of Dion-Valmont means enjoying an ideal location between city and countryside, with access to all local amenities (dentist, bakery, pharmacy, etc.), schools, sports and cultural centers, the future Saint-Pierre Clinic, and just a stone's throw from the Brabançonne nature, its fields, forests, and walking trails. The project, named "La Biosphère," refers to a well-known local business that will be located on the ground floor of the central building. This is an ideal living space consisting of a small co-ownership grouping five large apartments, shops, offices, and liberal professions. A unique development to discover by appointment, with delivery expected in early 2025!
