Some places are discovered almost by chance... and are simply impossible to leave behind. Nestled in a beautiful and sought-after location in Bossut-Gottechain, this superb 2,000 m² plot holds a rare surprise: a charming clearing surrounded by trees, a lush green setting and that wonderful feeling of living in the heart of nature, away from the hustle and bustle of everyday life. With a south-facing orientation, the plot enjoys generous sunshine and offers the perfect setting to imagine a lifestyle in harmony with the seasons, surrounded by light, tranquillity and nature. Another major advantage: planning permission has already been granted by the local authority, allowing you to bring your project to life without delay. And if you have other ideas in mind, you are free to imagine a different project, tailored to your own wishes and aspirations. ...
